Experience

Publicis Groupe, MSL, New York, NY

January 2017 – Present

Account Executive, Social Purpose and Sustainability

- Build corporate citizenship platforms, programs and partnerships that amplify brand purpose and catalyze social impact
- Exercise additional specialties in organization design, public affairs, thought leadership and employee engagement
- Exhibited leadership and expertise in Social Purpose and Sustainability during practice lead's maternity leave (April – September)
- Co-led Publicis partnership with AIDS Walk New York and coordinated events for Égalité, the LGBTQ+ employee resource group
- Work to date includes: Samsung, VF Corp., Ferrero, TruGreen, EMD Serono, Surgeons of Hope, Ann Inc. and business development

Public Works Partners, New York, NY

June 2016 – November 2016

Consulting Analyst, Civic Sector

- Delivered business development strategy for marketing our flagship project to other municipalities
- Designed quality assurance guide to implement plain language standards across City agencies
- Drafted and revised proposals; conducted analyses of the NYC policy landscape for new business
- Organized internal initiative to formalize debrief structures and produce deliverable templates
- Synthesized stakeholder perspectives for facilitated City Council and agency focus groups

Coro Fellowship in Public Affairs, New York, NY

September 2015 – May 2016

Edelman, Business + Social Purpose (B+SP)

- Investigated international trends of social and sustainable business investments; presented findings to B+SP practice
- Supported communications marketing projects for clients within the Public Affairs/B+SP practices (i.e. Lambda Legal)
- Contributed to the creation of Well + Good, the B+SP practice's digital newsletter

Gay Men's Health Crisis

- Developed strategy to enhance awareness and activism behavior in Millennials as it pertains to HIV/AIDS
- Identified partnerships by analyzing network of organizations focused on alleviating social determinants of HIV/AIDS
- Activated leadership landscape against HIV/AIDS by recommending thought leadership and university initiatives

NYC Department of Youth and Community Development

- Evaluated models of effective community-based collaboration for application to agency-funded programs
- Recommended strategy and implementation tactics using the Collective Impact model

FleishmanHillard, New York, NY

May – August 2014, 2015

Graduate Development Program, Corporate and Public Affairs

- Provided corporate communications counsel to 35 clients and new business initiatives
- Constructed comprehensive content strategy for WISER, a girls' school in Muhuru Bay, Kenya
- Drafted and delivered pitches; secured more than half of one client's media coverage
- Composed research reports, competitor analyses, media lists and editorial calendars

The Rockefeller Foundation, New York, NY

October 2014 – December 2014

Internship, Global Communications

- Participated in foundation's centennial rebranding initiative, inclusive of updated website, content and mission
- Executed communications strategy for "The Resilience Dividend" by former RF President Judith Rodin

Boys & Girls Clubs of America

January 2014 – February 2014

Practicum, Human Service Studies

- Conceived strategy to raise visibility for the local chapter using traditional and social media; English and Spanish
- Conducted national and international interviews with reputable alumni to uplift organizational capacity

Education

Bachelor of Arts: Elon University, Elon, NC

Majors: Strategic Communications and Human Service Studies; **Minor:** Leadership Studies; **GPA:** 3.79

Study Abroad: Spring 2013 in San Jose, Costa Rica

- Recipient, Gilman International Scholarship; Appointee, U.S. Department of State Writing Correspondent
